June 14 — West Toronto — Golf Tournament (to be announced)

DR. GORDON M. MARSHALL

Dr. Gordon Marshall was born and educated in Toronto. Following Senior Matriculation from Riverdale Collegiate, he graduated from the Faculty of Dentistry, University of Toronto, receiving the Students' Administrative Council Honour Award.

He has served on the Council of the North Toronto Dental Association, and committees of the Ontario Dental Association and the Canadian Dental Association.

He is a member of the Teaching Staff, University of Toronto and serves on the House Committee of Hart House as Faculty Advisor.

He is preceded in the position of President of the Academy of Dentistry by his father, Dr. Thomas R. Marshall and his brother, Dr. Robert W. Marshall.

Dr. Marshall is married to the former Barbara Bedford and they have four children. He is a member and elder of Timothy Eaton Memorial Church.

President's Foreword

As Canada and Dentistry venture into their second century of progress, it is fitting that your Academy enters a new era of challenge and co-operation.

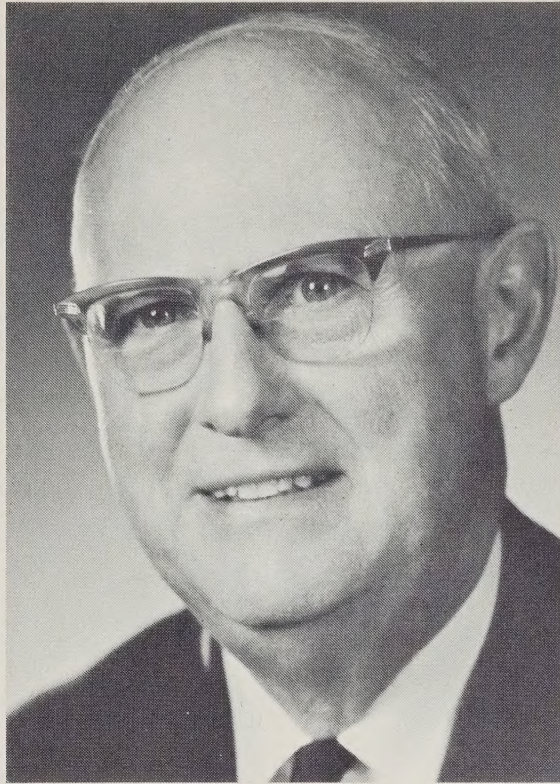

The four District Associations, which compose the Academy, have assumed corporate membership in the Ontario Dental Association.

The Academy will co-ordinate many of the individual functions of the Associations and, at the same time, provide a Scientific Programme for the continued advancement of our profession and social activities to promote good fellowship and understanding.

The Academy Programme is outlined in detail in your Year Book. We hope you will study the functions and plan to attend.

GORDON M. MARSHALL,
President.

HONORARY LIFE MEMBERSHIP

GEORGE VERNON FISK

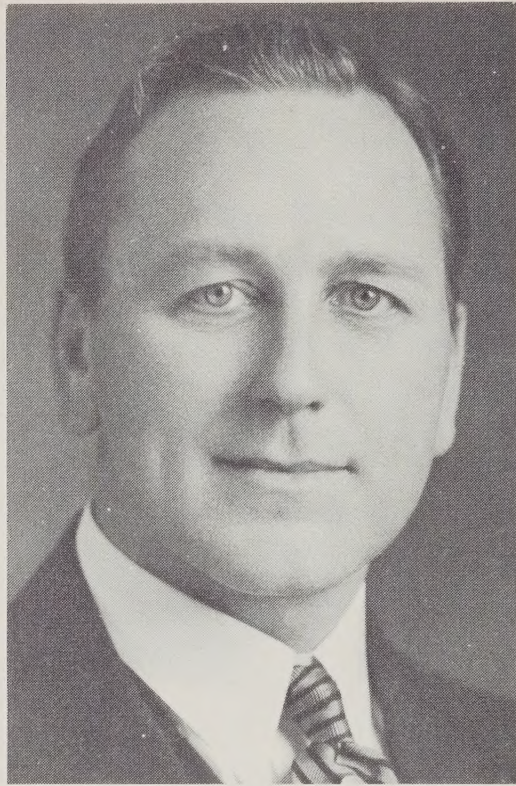

Dr. Fisk was born in Lorneville, Ontario, and received his early education in Toronto. He graduated from the Faculty of Dentistry, University of Toronto, in 1917. After graduation he indentured three years as an associate in Orthodontics and has since been practicing this specialty.

He was a sergeant in the Canadian Officers' Training Corps from 1915 to 1917, and a lieutenant in the Canadian Dental Corps in the Second World War.

Dr. Fisk was president of the Great Lakes Society of Orthodontists in 1936, and Chairman of the Research Committee A.A.O. in 1939. He has been Chairman of the Hospital Dental Services Committee and the Journal Committee of the Canadian Dental Association. In 1949 and 1950 he was President of the Canadian Dental Association.

Dr. Fisk was an associate in the Department of Orthodontics at the Faculty of Dentistry, University of Toronto and is a member of the Zi Phi Dental Fraternity. He is also a Fellow of the American College of Dentists (1945). In 1966 Dr. Fisk became a Charter Fellow of the Royal College of Dentists, Canada.

HONORARY LIFE MEMBERSHIP

IRVIN H. ANTE Sr.

Dr. Irvin H. Ante Sr. is being honoured this year by the Academy of Dentistry, Toronto, for his many outstanding contributions to the practice of Dentistry both in Canada and the United States. He was born in Hamilton, Ontario and at an early age accepted a position in a dental laboratory that specialized in crown and bridge prosthesis. After three years apprenticeship he moved first to Brantford, then to Toronto, working as a technician in a dental office. After obtaining his matriculation at night school, Dr. Ante enrolled in the Royal College of Dental Surgeons and graduated in 1914. He joined the staff of the Royal College the same year, eventually becoming Professor of Crown and Bridge Prosthesis and presently has the honour of being Professor Emeritus at the University of Toronto.

Dr. Ante assisted the late Dr. Ernest Cummer in the teaching of dental sergeants in the First World War and was in full charge of the teaching program of over four hundred dental sergeants in the Second World War.

Dr. Ante has always been interested in amateur photography. When Kodachrome was first introduced to the public by the Eastman Kodak Company, he was one of the first to present his lectures and clinics with the aid of Kodachrome slides and motion pictures. He had the honour of appearing before many Dental Societies in both Canada and the United States to present both lectures and clinical demonstrations on crown and bridge work, partial dentures and full denture prosthesis.

Dr. and Mrs. Ante were married in 1914. They have two daughters and one son, and several grandchildren. Dr. Ante retired in 1963 and both he and Mrs. Ante are enjoying good health.

**ANNUAL DINNER
ROYAL YORK HOTEL
THURSDAY, OCTOBER 26th, 1967
Fellowship Hour 6:00 p.m. — Canadian Room
Dinner 7:00 p.m.**

Guest Speaker:

**OMOND
McKILLOP SOLANDT, O.B.E.,
M.A., M.D., D.Sc., LL.D.,
F.R.C.P., F.R.S.C.
Chancellor, University of
Toronto.**

BIOGRAPHY

Dr. Solandt was born in Winnipeg, Manitoba. He is a graduate of the University of Toronto, first in Biological and Medical Science, and later in Medicine. While at the University he did research under Dr. C. H. Best in the Department of Physiology and also played senior inter-collegiate football.

Following graduation, he interned in the Toronto General Hospital and did graduate work in London and Cambridge. During the war, he made the transition from medical to operational research, beginning the war as the Director of the Southwest London Blood Supply Depot and ending as the Superintendent of the British Army Operational Research Group and a Colonel in the Canadian Army.

After the war, he returned to Ottawa to organize the Defence Research Board and became its first Chairman. In 1956, he left DRB to become Vice-President, Research and Development of the Canadian National Railways, and in 1963, left the CN to become Vice-President, Research and Development and a Director of both de Havilland Aircraft of Canada Ltd., and of Hawker Siddeley Canada Ltd. In 1966 he left to become Chairman of the Science Council of Canada and Vice-Chairman of the Board of the Electric Reduction Company. He is a Director of Expo '67 and of the Huyck Corporation, and a Trustee of the Mitre Corporation. In 1965 he was elected Chancellor of the University of Toronto.

THURSDAY, NOVEMBER 23rd, 1967
Fellowship Hour 5:00 p.m. — Dinner 6:30 p.m.**

Guest Speaker:
**WESLEY P. MUNSIE, D.M.D.,
F.A.C.D., F.I.C.D.**
**President,
Canadian Dental Association**

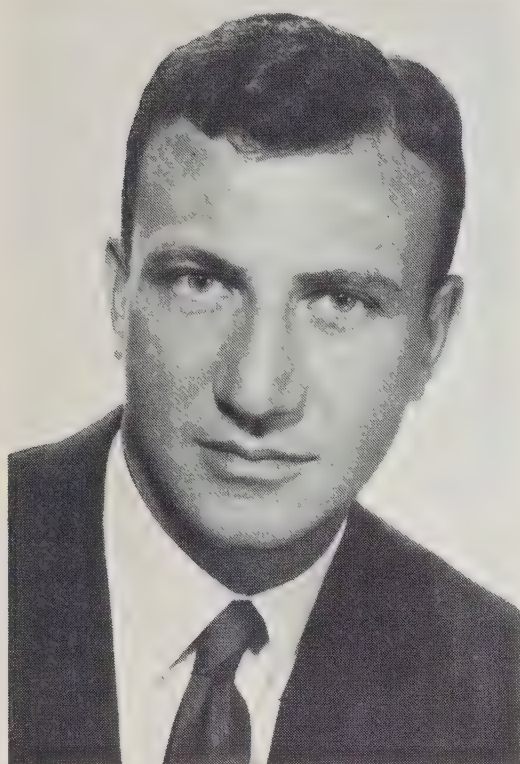

BIOGRAPHY

Born in Winnipeg, Dr. Munsie served with the Royal Canadian Navy from 1941 to 1945. He earned a Doctor of Dental Medicine degree from the University of Oregon in 1949. A past president of the Vancouver and District Dental Society (1956-57), the British Columbia Dental Association (1957-58) and the College of Dental Surgeons of British Columbia (1961-65), Dr. Munsie has been a member of the Canadian Dental Association's Board of Governors since 1961. He was elected to the C.D.A. Executive Council in 1963. Dr. Munsie was also a founding trustee of the Canadian Fund for Dental Education, an honorary governor of the Canadian Association for Retarded Children, a convocation founder of Simon Fraser University of Vancouver, and a fellow of the American and International Colleges of Dentists.

FIRST STATED MEETING

INN ON THE PARK

9:00 A.M. - 5:00 P.M. — Luncheon Included
THURSDAY, JANUARY 18, 1968

Essayist:

DAVID S. SHELBY,
D.D.S., F.A.C.D.
New York City

Topic:

“Adjuncts in Restorative
Dentistry.”

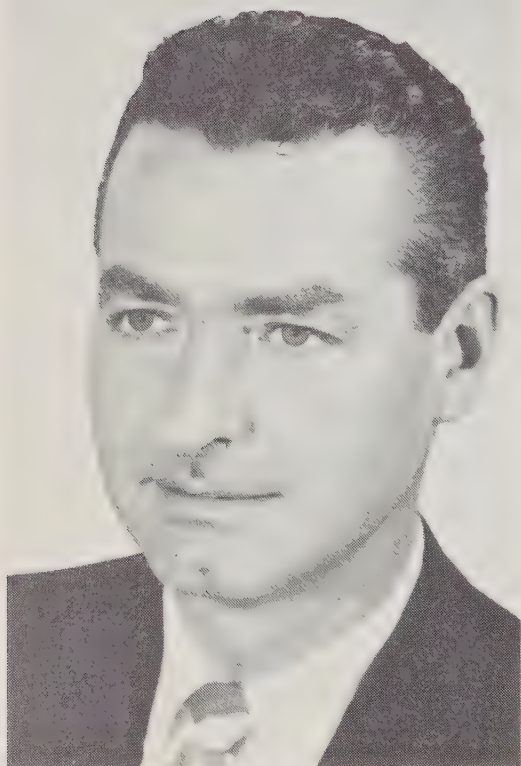

Synopsis: Various procedures will be presented as aids in the restoration of the dentition. These will relate to impression procedures, handling soft tissue, tooth movement and alteration of retaining abutments for the patient who cannot tolerate removal of appliances due to anatomical or psychogenic reasons. A new design of fixed partial prosthesis will be presented.

BIOGRAPHY

Dr. Shelby is a Fellow of the American College of Dentists and the New York Academy of Dentistry, an Associate Fellow of the New York Academy of Prosthodontia, and a member of the American Prosthodontic Society. He is associated with the Faculty Postgraduate Department, Temple University School of Dentistry, a Postgraduate Instructor of the First District Continuing Education Program and former Instructor of Fixed Partial Prosthesis of New York University, College of Dentistry.

SECOND STATED MEETING

ROYAL YORK HOTEL — TUDOR ROOM
2:00 P.M. - 9:00 P.M. — Dinner Included
THURSDAY, FEBRUARY 22, 1968

Afternoon Essayist:

R. E. JORDAN, D.D.S., M.S.D.
Professor and Chairman Department of Restorative Dentistry,
University of Western Ontario,
London.

Topic:

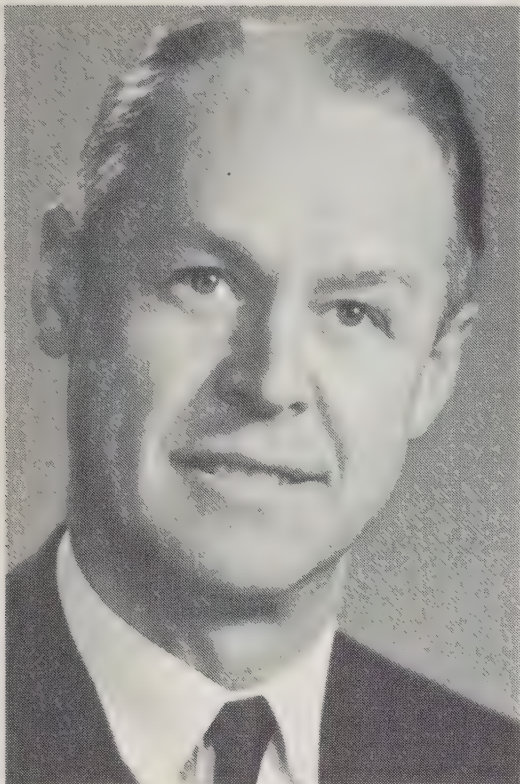

“Operative Dentistry”

Routine clinical success in operative dentistry is dependent upon the recognition, assessment and control of a host of biological and manipulative variables. Identification and control of biological factors in current operative techniques will be particularly stressed.

BIOGRAPHY

Dr. Jordan graduated from the University of Alberta in 1954 and was engaged in private practice in Winnipeg, Manitoba until 1961. He received his M.S.D. from the University of Washington in 1962; served as Associate Professor of Operative Dentistry, Dalhousie University, 1962-64; was Research Associate, Cleft Palate Research Centre, Associate Professor and Head, Department of Operative Dentistry, University of Pittsburgh, 1964-66. In 1966 he accepted the appointment as Professor and Chairman of the Department of Restorative Dentistry, University of Western Ontario, London.

SECOND STATED MEETING — Continued

Evening Essayist:

DONALD S. MOORE

D.D.S., F.R.C.D. (C)

Professor and Chairman of Department of Oral Medicine, University of Western Ontario, London

Topic:

“Periodontics and its Relation to Restorative Dentistry”

Successful restorations, whether they are simple or extensive, depend upon their acceptance by the periodontium. Restorative dentistry as a health service is only successful when the occlusion, selection of abutment teeth, position of the margins and their finishing are all carefully considered. The initial diagnostic procedures are of paramount importance. These and other factors will be discussed.

BIOGRAPHY

Dr. Donald Moore graduated 24 years ago from the University of Toronto, and served with the Canadian Armed Forces from 1942-45. He completed the specialist course in Periodontics in 1947, at which time he started practicing periodontics in Hamilton.

Dr. Moore has taken approximately 40 post-graduate courses in various phases of dentistry and has confined his practice to Oral Diagnosis and Periodontics.

He is a member of the American Academy of Dental Medicine, American Academy of Periodontology, Canadian Academy of Periodontology, American Society of Adlerian Psychology, etc. He has been a part-time teacher at the Faculty of Dentistry, University of Toronto for many years and is now Professor and Chairman of the Department of Oral Medicine at the University of Western Ontario, London.

Articles by Dr. Moore have been published in dental journals throughout the world and he has lectured widely.

THIRD STATED MEETING

All Day Session
Thursday, March 21, 1968

"ACADEMY DAY"

at

Royal Canadian Dental Corps School
Camp Borden, Ontario

Clinical Course under the direction of Commandant,
Colonel G. R. Covey and the Teaching Staff of the

D. H. STODART,
Chartered Accountant.

Toronto, Ontario,
June 21, 1967.

AUDITOR'S REPORT

The Academy of Dentistry,
230 St. George Street,
Toronto 5, Ontario.
Gentlemen:

Re: Annual Audit — April 30, 1967

I hereby certify that I have made a detailed examination of the books and records of receipts and disbursements for the year ended April 30th, 1967, and attach the appropriate certified statements relating thereto.

The credit balance of \$36.53 with the Toronto General Trust Company's branch at 36 Bloor Street West, has been confirmed and a certificate secured stating that they hold Dominion of Canada bonds amounting to \$8,000 for the Academy.

Respectfully submitted,
D. H. STODART,
Chartered Accountant.

Toronto, Ontario,
June 21, 1967.

SECRETARY'S REPORT 1966-67

The dentists and the general population of Metro Toronto benefited from the leadership provided by Dr. Morley Hardy, as president of the Academy of Dentistry this past year.

During this first year since the adoption of the new constitution by the Ontario Dental Association, successful and amicable negotiations have been underway with all four District Associations (Central, East, North and West) regarding the coming year's dues for the Academy.

The activities of the past year featured a mixture in good proportions of athletic, educational and social events. Good fellowship was, as always, an integral part of every meeting.

Co-chairmen Dr. Richards and Dr. Schweizer arranged an excellent opening of the year's program with our Annual Golf Tournament on October 14th at the Bayview Country Club.

On October 27th we were privileged to hear an address by the Honourable Matthew B. Dymond, M.D., Provincial Minister of Health, at our Annual Dinner.

The Annual Dinner Dance held at the Rosedale Golf Club on November 11th, was a resounding success. Dr. Murray Cornish's zeal in making the arrangements was rewarded with the highest attendance ever. It is hoped this increase in attendance will progress to even greater heights for this wonderful affair.

Dr. Gordon Marshall provided the leadership for an excellently programmed, smooth running Winter Clinic on November 24th.

Mr. Joseph McCulley, Warden Emeritus of Hart House, was a most interesting luncheon speaker. Dr. James P. Coupland, Canadian Dental Association, brought us up-to-date on dental affairs at the National level as the dinner speaker.

The Three Stated Meetings were fairly well attended. The papers presented by Dr. Ralph W. Phillips of Indianapolis and Dr. Jose E. Medina of Baltimore were of the highest order. The paper given by Dr. William D. Cavanagh of Toronto on "A Rationale for Abutment Preparations" is deserving of special mention because it was delivered to his toughest audience — the home town boys.

Co-chairmen, Dr. Cornish and Dr. Hutz arranged for a full day of Curling at the Thornhill Curling Club on March 15th. This Bonspiel has now been established as an important feature of the year's program.

Many Academy members left early in July on a Charter Flight to the F.D.I. Convention in Paris, France.

We conclude our report by recognizing the members of the Academy Council all of whom have laboured unselfishly on the many committees of the Academy. Dr. Kamienski made arrangements with a new printer for the Year Book. Dr. Heaslip kept the Emergency Service functioning in a quiet efficient manner. Dr. Sorenson was kept busy as chairman of the Public Relations and Fellowship Committee. Drs. Crystal and Schwetz manned the Study Groups, Housing and Equipment portfolios with diligence particularly during the Winter Clinic. Dr. McColeman was kept hopping as Chairman of the Dental Public Health Committee. Dr. McKee was in charge of Publicity and gave guidance to the Board on Dental Care. Chairmanship of Dental Nursing Course is a very arduous task which was handled with apparent ease by Dr. Hing. Dr. Bruce Hord undertook chairmanship of the Mediations Committee. We are most fortunate to have a man of Bruce's temperament and ability available for this difficult work.

Dr. McColeman doubled as Chairman of the Dental section of the United Appeal Campaign. He was ably assisted by his Vice-Chairman Dr. Godsoe. Dr. George Stirling was a most capable and efficient Treasurer.

Our charming Executive Secretary, Mrs. Rosina Jones, has smoothed our paths and made all of our difficult tasks so much easier.

Respectfully submitted,
BERT J. LEVIN,
Secretary.

REFEREE BOARD ON DENTAL CARE

Thanks to the Ladies' Auxiliary of the Academy of Dentistry, \$1,381.75 was collected and sent to the Academy for allocation to deserving children for Dental Treatment.

Dr. H. S. Grey, Director of the Dental Public Health Department, City of Toronto, referred fifteen cases to the Academy. These patients were sent to different members of the Academy for treatment after x-rays and estimates for their work had been accepted.

Twelve of these cases have now been completed and one more is under way. The Academy wishes to express its sincere appreciation to the "Ladies' Auxiliary" for their extremely kind donation to a very worthwhile cause in helping the candidates for dental treatment.

We only hope this work will be continued and that many more patients may be helped in the years to come.

Respectfully submitted,
DON. M. McKEE,
Chairman, Referee Board on Dental Care

EMERGENCY SERVICE

The Emergency Service sponsored by the Academy of Dentistry had another busy year.

The number of patients treated has increased over the previous year. Last year 48 dentists, including 17 new men, took part in the service.

We wish to extend our sincere thanks to all the dentists who participated and to Mrs. R. Jones, the Academy Secretary, for her coordination organization of the project.

Respectfully submitted,
WARREN L. HEASLIP,
Chairman, Emergency Service

DENTAL ASSISTANTS' EVENING COURSE

Ninety students were enrolled in the Dental Assistants' Evening Course. Of the seventy-two who graduated there were fifteen honour graduates, twenty-three second class honours and thirty-four pass graduates.

The graduation ceremony was held at the Great Hall, Hart House, with Dean R. G. Ellis, Dr. Gordon Marshall, Dr. James Purvis, Dr. Kenneth Pownall, Mrs. D. Ferguson and guest speaker Leonard Shifrin, Q.C., present at the head table.

The Academy prizes of \$50.00 each were won by M. G. Smith and P. E. Leith.

The Academy wishes to express its thanks to all those members whose participation has continued to make the course an annual success. We would ask the profession's co-operation in recognizing the certificate presented to the graduates.

Respectfully submitted,
JAMES T. HING,
Chairman.

Dental Nurses and Assistants Registry

SPONSORED BY

The Academy of Dentistry, Toronto

MR. I. M. HANNAH

32 Gardenvale Road, Toronto 18

BE. 3-4390

Call Mr. Hannah for complete information regarding employment of full or part-time assistants:

1. If you are a dentist who wishes to employ a nurse or assistant.
2. If you know of a nurse or assistant looking for a position in a dental office.
3. If you wish an assistant with no previous dental experience to learn your own office routine.

REPORTS

MEDIATIONS COMMITTEE

While there was a substantial increase in the number of cases investigated, it was felt that it might be attributed to the recent facilities offered by the local press for the public to register complaints.

The committee has made every effort to maintain a high dental image. However, it is still of utmost importance for us to provide our patients with:

- a) A detailed treatment plan.
- b) An estimate of time required for service.
- c) An accurate estimate of cost of service.

Respectfully submitted,
A. BRUCE HORD,
Chairman, Mediations Committee

UNITED APPEAL CAMPAIGN 1966

Chairman W. J. McColeman
Vice-Chairman W. M. Godsoe

Captains:

C. Reynolds	W. D. Beaton	B. Sullivan
V. J. Culotta	R. E. McDermott	H. T. Robbins
S. Rosenbaum	F. Pulver	H. F. Vogl
D. Strain	L. Joynt	W. Rice
J. Cooper	M. Truuvert	S. I. Young
S. M. Green	R. Grose	B. Crystal
I. Lightman	J. Pepper, Jr.	W. L. Curtis
J. D. Pearlstein	C. A. L. Clokie	M. Kopel

On behalf of the 80 social service agencies of Metro Toronto, whose services are of such great benefit to our community, I express my sincere thanks to the 726 dentists who donated to the 1966 United Appeal Campaign. Dentistry raised \$33,315.00 — 96.7% of our goal. It is easily seen that participation by those dentists who did not contribute would have put us “over the top”.

Special thanks are extended to the above Captains and to the 103 volunteer “dentists” canvassers — all of whom gave generously of both their time and money to this very necessary cause.

Dr. Walter M. Godsoe will be chairman of the dental section of the 1967 United Appeal Campaign. I would urge that you give Dr. Godsoe such support that we will reach 100% of our goal in the 1967 Campaign.

Wilfred J. McColeman,
Dental Section Chairman,
1966 United Appeal Campaign.

University of Toronto, Faculty of Dentistry

GRADUATE AND POST GRADUATE EDUCATION

The Faculty of Dentistry of the University of Toronto offers a series of courses to graduates in Dentistry. Programmes leading to specialist certification are presented in Dental Public Health, Oral Surgery and Anaesthesia, Orthodontics, Paedodontics and Periodontics. A course in Anaesthesia as it applies to Dentistry is also available.

Programmes of education and research leading to graduate degrees in the biological sciences related to dentistry may also be arranged.

For details write to: The Director, Division of Graduate and Postgraduate Dental Education, Faculty of Dentistry, University of Toronto, 124 Edward Street, Toronto, Ontario, Canada.

SHORT POSTGRADUATE COURSES

The Faculty of Dentistry, University of Toronto, will present the following short postgraduate courses during the session 1967-1968.

1. Operative Dentistry October 23-25, 1967.
